# Why Choose ICMAI?

The Institute of Cost Accountants of India (ICMAI), formerly known as the Institute of Cost and Works Accountants of India (ICWAI), was established in 1944 and gained statutory recognition under the Cost and Works Accountants Act, 1959. It is a premier professional body in India responsible for regulating the profession of Cost and Management Accountancy. ICMAI plays a crucial role in promoting cost efficiency, financial management, and strategic planning across industries. It equips professionals with skills to analyze cost structures, control operations, and enhance decision-making in businesses. Recognized by the Government of India and various regulatory authorities, ICMAI members hold significant positions in public and private sectors, both nationally and globally. The institute is also a member of international bodies like IFAC and CAPA, reflecting its global standing. With its rigorous curriculum and ethical framework, ICMAI continues to contribute significantly to India's economic growth and corporate governance landscape.
